The company

Anvil Knitwear

146 West Country Club Road

Hamer SC 29547, USA

is granted authorization according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our **test report 11.0.94624**

Tested for harmful substances
according to Oeko-Tex® Standard 100

09.HUS.69411

Hohenstein

for the following articles:

T-Shirt, Sport Shirt and Shorts made of 18/1 50 % cotton / 50 % polyester OE, jersey, dyed, including accessories (buttons, polyester interlining, sewing thread, woven and printed labels), produced by using material certified according to Oeko-Tex® Standard 100.

The results of the inspection made according to Oeko-Tex® Standard 100, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested.

This authorisation is valid until 30.09.2012
