for the following articles:

**Sport Shirt made of 18/1 100 % cotton, carded open end super softspun jersey, white and dyed (colour heather grey in mixture with polyester) including sewing threads and printed labels; produced by using material certified according to Oeko-Tex® Standard 100.**

The results of the inspection made according to Oeko-Tex® Standard 100, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to EN ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested.

Bönnigheim, 10.01.2011

This authorisation is valid until 31.01.2012
